Cinema Management Group boards 'Seal Team'

12 May, 2016 | By [Jeremy Kay](#)

Edward Noeltner and his team have begun pre-sales in Cannes on the animated action comedy, the third feature film to come from Triggerfish Animation Studios.

Cinema Management Group handled sales on Triggerfish's previous two titles, *Adventures In Zambezia* and *Khumba*, which won numerous awards and were distributed around the world in 27 languages.

Seal Team is the story of Quinn, a former performing seal who joins an elite team of shark-fighting seals.

Wayne Thornley will direct the film from a screenplay he co-wrote with Brian and Jason Cleveland.

Triggerfish is currently collaborating on *Revolt Rhymes* with Magic Light Pictures. Last year it launched the pan-African Triggerfish Story Lab in partnership with The Walt Disney Company and South Africa's department of trade and industry.
