## CMG racks up Plastic sales

18 May, 2014 | By [Jeremy Kay](#)

Edward Noeltner's heist film has gone to Palatin for Germany, Austria and German-speaking Switzerland and Interfilm for Japan.

Anchor Bay will release the film in Australia and New Zealand. Paramount released *Plastic* earlier this month on 250 UK screens.

Ed Speleers, Will Poulter and Thomas Kretschmann star.

"Chris and I were thrilled with last week's box office numbers thanks to Paramount UK," said producer Terry Stone. "We are excited to welcome aboard Palatin, Interfilm and Anchor Bay and happy to work with them on the release of the film.

"CMG has done a great job closing key territories and we hope to make an announcement shortly about our US theatrical sale."
