Join Virginia and the rest of the Otis family on their haunted country house adventure from the comfort of your own, hopefully haunt-free, home this winter when Shout! Studios and Shout! Kids release *The Canterville Ghost* on DVD on February 13, 2024. The movie is available now on Digital for purchase or rent across all major entertainment platforms.

About: Poised to entertain kids, families, and animation enthusiasts, *The Canterville Ghost* is a colorful animated movie adventure filled with humor and whimsical characters. The film boasts vibrant storytelling, a strong young female lead character, and important messages about curiosity, courage, friendship, love, and forgiveness.

Directed by Kim Burdon (*Stressed Eric*) and co-directed by Robert Chandler (*The Amazing Maurice*), *The Canterville Ghost* is the modern reimagining of Oscar Wilde's popular literary classic and boasts a winning voice cast of **Stephen Fry** (*The Hobbit* films), **Hugh Laurie** (*House*), **Freddie Highmore** (*The Good Doctor*), **Emily Carey** (*Wonder Woman*), **David Harewood** (*The Flash*), **Meera Syal** (*Doctor Strange*), **Miranda Hart** (*Spy*) with **Toby Jones** (*Indiana Jones and the Dial of Destiny*) and **Imelda Staunton** (*Harry Potter* films).

Available for the first time on North American home entertainment shelves, *The Canterville Ghost* DVD is available for pre-order now at [ShoutFactory.com](https://www.shoutfactory.com) and will be available in stores at Walmart, other retailers and digital entertainment platforms.
